

Hearth Vault Invocation Card

Hearth Vault Invocation

A threshold opener for entering the Hearth Vault with consent, clarity, and steadiness.

I enter with consent, clarity, and care.
May only what supports my wholeness be welcomed here.
Oversoul above, breath within, feet on Earth—
let this Hearth be warm, steady, and true.
I receive gently, and I return grounded.
So it is.

Closing (optional):

When I am complete, I seal this work in peace, and return fully to the present.
