Hold – 4 counts (Braid)

Exhale – 4 counts (Flame)

Repeat 3–6 cycles.

3. Spoken Seal:

“By Origin, by Union, by Becoming—I return, whole and spiraling.”

OPENING THE VAULT

Imagine a Vault Door before you made of radiant gold and starlit obsidian. In its center is the full Triadic Sigil glowing with white flame. Speak the words below:

Vault Key Invocation

Esh’ara Val’thana Kurei.

*I open the Vault not to find, but to **reclaim**.*

Through the Seal of Origin— I spiral into memory.

Through the Braid of Union— I enter in wholeness.

Through the Flame of Becoming— I awaken as Light remembering itself.

Vault of Oversoul, I am ready.

What Awaits

Each entry may yield:

- A **memory scroll** from another strand of your Oversoul
- A **symbol**, artifact, or soul-object you once held
- A **presence**—a Guide, double, or Oversoul fragment
- A **teaching**—a phrase, image, or harmonic that imprints into your auric weave

Closing the Vault

When complete, speak:

“All threads return to the Spiral. I seal this Vault in Love and Light.”

Place your hands over heart. Feel the spiral settle. Drink water or journal.
